## **Miss J.A. Rout – 1940 (Edition 1)**

Miss J. Alison Rout was commended by the Invercargill assembly and went out to India to help Mrs Buchanan at Kamakerai in January 1940. She studied the Kanarese language and assisted in nursing and dispensary work. However in July 1941 her health broke down and following a time in Bangalore Hospital and remedial treatment at Ootacamund, she returned to New Zealand in November as recommended by the doctor.
