Sir,

Thomas Hickey, Army pensioner, desires me to inform you that it was in the East India Company he enlisted on 23 May 1839, and not in the 2nd European Regiment as he erroneously stated in the last quarter's papers.

He was discharged on the 4th July 1855 in Leadenhall Street.

I am Sir

Your obedient Servt.

T. E. Galtgamble,

Sir,

*With reference to the Form of Identification
which I filled in yesterday for Pensioner Thomas
Hickie, (late 2nd Bengal Fusiliers), I stated that he
was discharged owing to “weakness of sight.” This
should have been “blindness of one eye (the right).”*
