

Memo

M
5311
1896

Ballyragget

Co. Kilkenny

8th June 1896

I beg to Certify that the Attestation paper of Pensioner James Kelly is so Completely Crumbled that it is quite impossible to make out the date of his enlistment, but his Parchment Discharge No 184 is quite fresh and gives his Descriptive particulars as to service, Height, age etc.

Henry McShane,

Sergeant R. I. Constabulary
